

Lecția 3 - Conducerea evlavioasă*Tit 1***Verset-cheie**

“Te-am lăsat în Creta, ca să pui în rânduială ce mai rămâne de rânduit și să așezi prezbiteri (Sau: bătrâni) în fiecare cetate, după cum ți-am poruncit” (Tit 1:5)

**Rezumat**

Epistola către Tit are ca temă principală evlavia. Această lecție se concentrează pe trăsăturile liderului evlavios, așa cum reies ele din Tit 1:6-9. Numai o conducere evlavioasă va putea da direcție bisericii Domnului, și îi va putea sfătui și convinge pe cei ce se opun învățării sănătoase.

**Tema**

Dumnezeu are cerințe specifice pentru conducerea evlavioasă.

**Răspunsul nostru**

Vom cunoaște și vom dori calitățile unei conduceri evlavioase.
